Sir

In reply to your letter No. 173. dated the 18th Instant, forwarding for enquiry & report an Original Urzee presented by Hoocharoya of the Kusbah of Shiccarpoor Taluq, pointing out the difficulties Experienced by the inhabitants of that Taluq in bringing down the arrack distilled at Shimoga, for want of proper roads for Carts, Especially during the rainy Season, and requesting that he may be allowed to open a new Distillery in the Several Coperdillage of Shiccarpoor Taluq, I have the honor to state that when the Sudur Distillery System was proposed in the Sagur Division Captain H. M. Elliot the then Superintendent, in his report No. 304 of the 16th October 1862, submitted to the Commr., Contained all the particular propositions on the subject, from which it will be observed that he had proposed that 4. Distilleries should be established in different places Viz. Shimoga, Anantapur, Shiccarpoor

+ Herewith returned together with the Opp.e Urzee which accompd. 1

I Kicarpoon & Sagur.- Of these 2 Stations only have been supplied with Distilleries. I am of opinion that for the present a Distillery at I Kicarpoon Lalug is required to supply the wants of that Talug as well as that of Soorub, and to avoid the troubles & inconveniences Experienced by the inhabitants of these Talug, & that the Construction of such Distillery may be ordered to supply for both these Talug's.

As regards the Distillery recommended by Captain H. M. Elliott I Sagur, I leave the subject for further consideration.
